Meeting ID: 897 8419 3338

Passcode: 555083

- I. Call to Order
- II. Roll Call (review of 9/11/24 minutes)
- III. Discuss potential upcoming activities for Science Committee
 - a. Unique activities for science committee
 - i. Potentially investigate opportunity for Parker to become a certified pollinator town
 - ii. Work with Douglas County Extension on developing garden space as demonstration xeric or pollinator garden (Garden space owned by Parker Arts at PACE Center could be devoted to demonstration garden)
 - iii. Other ideas
 - b. Potential activities science committee could contribute to
 - i. Parker Arbor Day – April 26, 2025
 - ii. Honey Bee Festival – August 2025
 - iii. Parker Science Night – November 2025
 - iv. Parker Arts Lecture Series – Fall 2026/Spring 2027
 - c. Things we have discussed in the past
 - i. Light post/box covers with information on science facts or pollinators
 - ii. Staff booths at extant events (Parker Honey Festival, Parker Arbor Day, etc. and present information on science (climate change, pollinators)
 - iii. Post posters at extant events that complement event with scientific information (e.g., native bees at Parker Honey Festival)
 - iv. Assist non-PCSC groups in implementing their science-based activities (outreach to region)
 - v. Education – work on developing liaison with interested teachers/student groups in regional schools (e.g., science-based programs such as energy/water) conservation that complement curriculum)
 - vi. Staff booths at non-Parker sponsored events (e.g., Castle Rock)
 - d.
- VI. New Business
- IV. Next meeting
- V. Adjournment
