Minutes

Approved  
*Christine Kennedy*  
Christine Kennedy 3/24/06

1. Welcome/Roll Call
  - a) Christine called the meeting to order at 5:35PM
  - b) In Attendance: Christine Kennedy, Diana Norton-Stucky, Cindie Perry, Dave Reiter, Michael Montoya, Mark Steinhauser (arrived at 5:40pm), Carrie Glassburn (Staff)
  - c) Unexcused Absences: Hima Mangipudi
  
2. Approval of Minutes from January's PAC Meeting
  - a) Cindie moves, Michael seconds, unanimous approval
  
3. Project Updates:
  - a) Mural at Keiffer's Crossing (Michael/Mark)
    - i. Carrie has someone who has an interest in doing a mural for her Girl Scout Gold Award Project. Carrie, Michael and Mark are meeting with her to see the space, get her concepts, and help her figure out how she plans to do it.
  - b) PACE Parking Garage Mural (Michael/Mark)
    - i. We're waiting for Bimmer's modifications that make the mural a bit more specific to Parker. He will start painting in the spring when the weather is consistently warmer.
    - ii. Installation Video (Christine/Cindie)
      1. Bimmer will do a video as part of his process. The Town Council videographer Tom Barr has offered to do a video for free documenting the process.
      2. Cindie and Christine will put some guidelines around what to discuss, how it will showcase the town, the inspiration for the mural, why it was chosen, perhaps include some comments from some of the citizens who participated on the selection committee.
      3. Cindie and Christine will possibly create an outline for Tom and will coordinate with him on next steps.

c) Mango Mural (Carrie)

- i. We have aligned on a concept, and Graham will start painting once the weather is consistently warmer

d) Salisbury Park (Dave/Michael)

i. PROS Project

1. Nothing has happened yet.

ii. Sculpture Dedication

1. Dave heard from Brett that they want to install in May. Right now, the park is just dirt, but with all the lighting, it probably has to be installed before any concrete is laid.
2. We have to plan the dedication, perhaps something very similar to the Elm tree dedication. Carrie will put Dave in touch with Brenda to see if PROS wants to be a part of the planning.
3. Dave will reach out to the artist regarding their thoughts on the dedication, perhaps also partner with someone to take a timelapse photo/video of park/statue construction. Carrie will reach out to communications team to help out when it's time for this.

e) Town Hall Art (Cindie/Hima/Dave)

- i. Cindie sat on the call with Town staff for brainstorming session re: themes, sizes. The group agreed on themes related to Parker community or history, or contemporary interpretations of history, Native American heritage, ranching, landscape

f) BID Lamp Post Banners (Carrie)

- i. The BID would like to work with us on new banners to commemorate the 150/250 Celebration. Before we design our own banners, we agreed that we might want to use whatever logo is chosen from the town's contest. Once we know the winner of that, we'll design a banner around it and probably print 10-15 of them to go up this spring when we switch out the winter banners to the spring design

- g) Utility Wraps (Diana/Christine/Cindie)
  - i. Parking Garage - 5 already committed here
    - i. Diana will reach out to SpeedPro to come get the specs for the electrical boxes near the garage
  - ii. Around Town – Do we HAVE to do any other boxes this year or should we hold off for a year? Diana, Christine and Cindie will discuss this and make a recommendation.
- h) Public Art Mural Policy (Michael/Cindie)
  - i. Nothing to report. Carrie will reach out to Kendall to send some draft mural policy suggestions and Michael and Cindie will start working on this project.
- i) Art Encounters (Mark/Christine)
  - i. Artist submissions due by end of February, but so far, there are only 26 sculptures from 10 different artists
  - ii. We might need to reassess how we rotate art in the future, depending on how this year's draft goes.
- j) Timestones Assessment (Michael/Carrie)
  - i. Michael sent an email re: the status/decay of the piece
  - ii. Carrie received a proposal from a company that assesses conservation of sculptural pieces – the assessment will cost \$800, Carrie recommends we do the assessment
  - iii. Cost to deaccession the piece and repair the pad is between \$9k-20k, so having the assessment could help us determine which is the most cost-effective option
  - iv. Diana moves to approve the assessment, Mark seconds, Unanimous approval
  - v. Carrie will follow up with art assessor to get the report going
- k) Plaques (Christine/Dave)
  - i. The group agreed to focus on existing murals this year, postpone purchasing a plaque for Bimmer and the new Girl Scout murals until next year.
  - ii. Dave and Christine will start working with FastSigns on the pricing and plaque copy
- l) Fundraising Research (Christine/Cindie)
  - i. Nothing to report

m) Public Art Accomplishments (Diana)

- i. It has been posted online and looks great!

n) Future Projects

- i. Possible mural at Newlin Gulch under Mainstreet
  - i. Michael will visit site to get a feel for size
- ii. Cottonwood/Parker Road Stormwater Improvement Project
  - i. No updates at this time
- iii. Sculptures at McCabe trail
  - i. No updates at this time
- iv. Crosswalk art at PACE
  - i. Carrie will check with Public Works to see if this is still a project they want us to pursue
- v. Town Hall plaza sculpture
  - i. Carrie will check with the project manager of the remodel to get more details about this

4. 2026 Budget

- a) Carrie will start putting together a budget based on the items we discussed above

5. Strategic Plan Efforts

- a) No updates at this time
